Lessons From the Stage* Telling the Winning Story

Lesson 3: The Power Of The Story Is An Inside Job

I have this wonderful memory of "striking a set" from a play I was doing a number of years ago in a tiny theatre in New York City. It hadn't been long since I'd graduated from The Juilliard School, wide-eyed and eager to conquer the world. The director said to the actors: "Let's make sure we're leaving this place better than we found it." That one line has grown... [read more](#)

*This is Lesson 3 of 7 Lessons developed by Juilliard Theatre Graduate Jesse Wilson that show how the skills he learned as an actor... [read more](#)

360 RESOURCES

Trusted, Vetted, Collaborative

We are all about helping you win bigger for your clients and to provide you what you need to do just that. We have created a Resource Center where you can get information from a variety of companies who will provide you with ideas, research and tactics to help in all aspects of your practice (all at no charge); discounts on products and services; plus all are vetted and trusted to give you the best information and service. [Check out what's available.](#)
